Objective

My objective is to find an opportunity where I can deliver the best of my knowledge, skills and abilities in a team oriented manner. This will provide me with the platform to grow while contributing to the success of the organization.

Experience

Apps for Nexus 2021 - 2022
Social Media Manger

Since November, I have been working as a social media manager with this company. I am managing main social media platforms such as Facebook, Instagram and Twitter. (Social Media Posting and Ads Campaigns). I am also working as a YouTube content creator with creativity.

Apps for Nexus 2022 - Up to now
Front End Developer

At the start of February 2022 I started my carrier as a web developer (Laravel). I worked with one project (Notification System). After the successful completion of the project, I change my field towards the React JS. Currently, I am learning frontend development.

Education
